Chief Minister felicitated Amar Sing Thapa

Sri Sarbananda Sonowal, Chief Minister of Assam felicitated Mr Amar Sing Thapa, State Science Topper from Ajmal College of Arts, Commerce And Science, Hojai in presence of Mr Khasrul Islam, General Manager, Ajmal Foundation and Mr AN Talukder, Principal, Ajmal College of Arts, Commerce & Science at JK Kedia Bhavan, Main Road, Hojai on June 4th, 2018.

AJMAL GROUP OF COLLEGES

UNDER THE AEGIS OF AJMAL FOUNDATION

A NEW AVENUE IN ASSAM'S EDUCATIONAL SCENARIO

Ajmal and Education: Ajmal Foundation is a well-known name across India. Set up in 2005 with the motto 'Serving Humanity in Need', this Hojai based Public Charitable Trust under the patronage of Ajmal Family headed by Maulana Badruddin Ajmal and Mr Sirajuddin Ajmal has been rendering yeomen's service in diverse areas such as education, employment generation, relief and rehabilitation,

AJMAL SUPER 40 CAMPUS

women empowerment, skill development etc. so as to bring smile on the face of the downtrodden and the underprivileged and make them stand at par with the mainstream populace.

Since education plays the most pivotal role in the progress and uplift of a community, Ajmal Foundation has always prioritized this sector and left no plan untried to make educational facilities available to the marginalized and the have-nots. In 2006, the very second year of its inception, the Foundation came up with its first college – Maryam Ajmal Women's College of Science and Technology, Hojai. Since then it has worked relentlessly in this field and within a span of twelve years, it has as many as 25 colleges under what is known as Ajmal Group of Colleges. With the common motto, 'Ajmal for Education, Education for All', these include two Degree colleges, one B.Ed college, one Law college and a number of Junior colleges scattered throughout Assam. Moreover, the Foundation has, of late, come up with a number of schools with the nomenclature 'Ajmal Adarsha Jatiya Vidyalaya' located at different remote areas of the state. Besides, Ajmal Foundation also offers free IAS coaching to aspiring youths in collaboration with Hamdard Study Circle, New Delhi and GS Mentors, New Delhi. The Foundation's latest educational project is the one-year Repeater's Course launched early this year for 12th passed medical and engineering aspirants.

Ajmal Super 40: The year 2016 witnessed a major breakthrough in Ajmal Foundation's educational venture in the form of the launch of its dream project known as 'Ajmal Super 40'. The prime objective of this project is to help the students of this part of the country to crack the toughest medical and engineering entrance examinations of the country such as JEE, BITSAT, NEET, AIIMS etc. With this end in view, Ajmal Foundation has launched this programme to provide state-of-the-art coaching to young aspirants of this frontier part of the country. The Students enrolled for the programme are given intensive and integrated coaching (40 boys and 40 girls in separate campuses) for 12th board examination as well as engineering/medical entrance examinations by highly experienced faculty members from Kota, Rajasthan. Admission fee, monthly tuition fee, hostel dues, uniforms, books, study materials and monthly stipend etc. are provided by Ajmal Foundation. Students from SC, ST and religious minority communities having scored at least 85% marks in 10th Board examination and their parents' annual income not more than 1.5 lac of rupees are eligible to sit for the screening test conducted state-wide for selecting the young talents for this coveted course. It may be mentioned that 'Ajmal Super 40' is a part of Ajmal College of Arts, Commerce and Science, Hojai.

Amar Sing Thapa: The dream project, Ajmal Super 40, has fulfilled the dream of its founders in the very second year of its inception with Amar Sing Thapa, a student of its very first batch securing the first position in Science stream of Higher Secondary Examination 2018 conducted by Assam Higher Secondary Education Council. Amar, a splendidly meritorious youth hailing from Jenkha in the newly formed hill district of West Karbi Anglong, had secured 14th rank in HSLC in 2016. Ajmal Foundation picked up the gem and polished it so much that at the end of two years, it topped the list of ten best scorers in HS Science Examination thus making a landmark in the history of Ajmal's journey in the field of education. Amar Sing Thapa is an exceptionally talented and promising youth capable of making a well identified position for himself wherever he may be. He is one in a thousand who can be equally popular among his friends, teachers or anyone who he comes across. He has the special gift of minutely observing a given situation and analysing it in the most commendable way. He also has easy access to the literary domain which is manifested in his successful composition of some very splendid poems in English.

Son of Ms Indra Kumari Devi and Mr Vinod Singh Thapa, this brilliant boy who made Ajmal College, Hojai and Ajmal Foundation proud, has taken admission in Birla Institute of Technology and Science (BITS), Pilani to pursue Bachelor's Degree in Engineering. We all at Ajmal Foundation look forward to seeing him fulfil his dreams, become a scientist par excellence, work for human welfare, highlight India's name in global scenario and make us all even more proud of his extraordinary personality.

WORDS FROM THE PRINCIPAL

As the Principal of Ajmal College of Arts, Commerce and Science, Hojai, it is a matter of great pleasure and pride for me to have a student like Amar Sing Thapa who has brought laurel to our institution by securing the first rank in Higher Secondary Science Examination, 2018. Amar had got the 14th rank in HSLC in 2016 and then got admission in Ajmal Super 40 under Ajmal College of Arts, Commerce and Science, Hojai. We could identify his hidden potential. Our teachers left no plan untried in polishing the gem that he is and drawing out the best out of him. His assiduity to learn and analytical ability are highly appreciable and examples to many. He always maintained a congenial relation with the teachers and the authority of the institution. Amar has fulfilled the dream of our revered Trustees and made us all proud. I wish him all success in life.

Abdul Noor Talukdar
Principal, Ajmal College of Arts, Commerce & Science, Hojai

WORDS FROM THE MENTOR

Amar Sing Thapa is a genius, an exceptionally talented young mind. He is one in a million. His words are few and thoughts infinite. He minutely observes things and can analyse them in an amazingly admirable way. A student of science, he also has flare in literature and is fond of music too. He has some very good poems to his credit. To his comrades, he is a friend with a large heart; to his teachers, he is a lover of learning and a storehouse of knowledge. His ever smiling face speaks volumes. He has symptoms of being a scientist, an artist and an influential figure one day. May Almighty bestow His choicest blessings on him, enable him to delve deep into His creations, make exemplary contributions towards human progress, inspire the coming generation of students and make everyone proud of him.

Rasheed Ahmed
Mentor (Vice Principal, Ajmal College of Arts, Commerce & Science, Hojai)

THOSE TWO YEARS: REMARKS OF SRI AMAR SING THAPA

Hi !!! Yeah, you heard it right, I am talking to those shimmering eyes which are over my reviews on the experiences I had as a student here. Well, those two years in Ajmal College of Arts Commerce & Science, Hojai, more specifically Ajmal Super-40, had been a roller-coaster ride. I am very much thankful to the Hon'ble Trustees of Ajmal Foundation, Maulana Badruddin Ajmal and Mr Sirajuddin Ajmal, for launching this dream project and giving me a berth therein.

I came here as a timid and introvert boy and left as a self-confident and friendly individual. Honestly speaking, the reason I am standing at this position today is the care and support of my teachers, Principal sir, GM sir, my parents and every other person associated with Ajmal Foundation. Hard work and dedication also helped me achieve this feat. But a far more successful event to me is that I got to learn more about being lovable, friendly and above all, humble which is in my view a much desirable achievement. A special advice to the younger student community from my humble end is: Be really positive; after all, being happy is all that matters. No one should ever grumble on their past faults for a tiger takes two steps backward before leaping onto its prey.

At the end, I once again extend the most gratuitous thanks to the Trustees of Ajmal Foundation: Maulana Badruddin Ajmal and Mr Sirajuddin Ajmal, for providing me such a gorgeous opportunity of which I could make some use. #Thanks

Amar Sing Thapa
HS Science Topper - 2018

REMARKS OF SRI BINOD THAPA

My joys know no bounds being the father of the State Science Topper in 12th Class Board Examination, 2018 in Assam. I had to deal with a lot of stress and strain for upbringing my son, Shri Amar Singh Thapa. But when the dream became a reality, it was an astonishing feeling, simply great.

When my son had grabbed the 14th Position in HSLC Examination in 2016, I was wondering and was at a dilemma as to where to get him admitted for his bright career. I was indeed looking for a reliable institution with a good track record. At that time, I came in touch with the Ajmal Foundation, Hojai officials who advised me to admit him in the newly launched Ajmal Super 40 under Ajmal College of Arts, Commerce and Science, Hojai. I was a little reluctant initially but after constant conversations with the Principal and General Manager of Ajmal Foundation, I was convinced at their commitment to nurture my son and take special care for his all round development while pursuing his studies in their College. I overcome initial reluctance and finally got my son admitted in Ajmal College of Arts, Commerce and Science and got his routine classes in Ajmal Super 40.

Once he was admitted, I would often visit Ajmal Foundation to check out his progress. Though it was gradual, the progress was visible there. They have the finest and really well-qualified teachers working enthusiastically with heart and soul for clearing the concepts of relevant subjects to the students. They discovered the excellent potential of my son and took special care for him which has finally paid off. I often interacted with his teachers and General Manager of Ajmal Foundation, Mr Khasrul Islam to track my son's right track run and now we are all on top of the world for his result.

I sincerely express my deep gratitude to the Trustees of Ajmal Foundation, Maulana Badruddin Ajmal Sahib, Mr Sirajuddin Ajmal Sahib and of course the entire Ajmal Family for providing my son such a wonderful opportunity of free education and excellent coaching throughout his two years stay at Ajmal College.

Moreover, I will remain indebted to Ajmal Family for sponsoring my son's education in BITS, Pilani and even his lifelong education.

Ajmal Colleges Shine: Amar Singh Thapa Tops Science Board Exam in Assam

Amar Singh Thapa, a student of Ajmal College of Arts, Commerce and Science, Hojai has topped the Assam Higher Secondary (12th) Board exams in science stream, announced last month. Thapa scored 486 out of total 500 marks. He was groomed by Ajmal Supper 40 with special educational facilities under expert faculties.

Maulana Badruddin Ajmal, President of All India United Democratic Front (AIUDF), Dhubri MP and CEO Ajmal CSR has expressed his happiness for this splendid achievement and congratulated Amar Singh Thapa with best wishes and prayer for future. He also appreciated Ajmal Foundation office bearers, college principal and teaching staff and said that "part of credit goes to them as well because they have put enormous hard work and good planning to achieve this great success".

Mr. Sirajuddin Ajmal, Barpeta MP and Joint CEO of Ajmal CSR has also congratulated Thapa and his parents for topping Assam board exams. He said along with teachers and better educational environment

parents too play a vital role in success of their children. "We the Ajmals are proud of his achievement," he said.

Ajmals received greetings and wishes from all across the nation from their social, political and corporate friends.

Markazul Ma'arif, a partner in Ajmal CSR, welcomed the jubilant student Thapa in the same day with in a triumphant procession. President of the organization Mr. S.H. Chowdhury and general secretary Mr. Khalilur Rahman Laskar presented him with Assam's traditional gamucha and sarai jhapi, and appreciated Thapa for this extraordinary feat.

Amar Singh Thapa's father Mr. Vinod Singh Thapa said, "Major part of credit goes to Ajmal CSR initiative which mainly helped my

son to shine and top the state." He also applauded his son and his teachers and thanked Ajmal Foundation for all the support and guidance.

Mr. Vinod Singh Thapa's family lives at a remote area under Karbi Anglong district (a tribal area) of Assam with limited financial means and humble conditions. Amar Singh made them proud and brought their names to the national mainstream.

Speaking to media, Thapa said, 'I am fortunate that I got better support and learning conditions, thanks to my teachers and parents.' "Consistency in hard work is the key to success", he said.

Ajmal CSR runs 28 colleges and 37 schools across Assam and their overall results in both 12th and 10th board exams are very good. Mr. Khasrul Islam, general manager of

IN FOCUS

Ajmal Foundation said, "We all and our faculty members have been working hard for a big break, thanks to Amar Singh Thapa that he has provided us with that break and we will continue to work on this milestone in our future educational endeavors."

Ajmal Foundation selects 40 students on merit basis following a screening test from across the state of Assam under its 'Ajmal Super 40' program and grooms them free for two years for JEE, NEET and other competitive exams. Amar Singh Thapa has been one of the beneficiaries of the first batch 'Ajmal Super 40'. It also conducts Ajmal National Talent Search (ANTS) exams among lakhs of children each year to inculcate competitive skills among school students from primary levels.

Hyderabad based English House founder, Mr. Munawar Zama, the famous spoken English and personality development instructor, has released a movie clip in his YouTube channel appreciating Thapa for his top feat and recognizing Ajmals' excellent educational ventures for the nation.

People at Ajmal CSR are very happy with the accomplishment that came through Amar Singh Thapa. They think their decade long hard work with a slogan 'Ajmal for Education and Education for All' ultimately started a renaissance among educationally and economically marginalized people of Assam. Dr. MRH Azad, manager at Ajmal Foundation said, "We were expecting a state rank this year, however, not the 1st rank. It is all Allah's blessings and cooperative team work which paid wonderful result," he said.

Rally by Ajmal Foundation with Amar Singh Thapa who ranked top in 12th Board Exam in Assam

THE TIMES OF INDIA

Ajmal Foundation's Super 40 prog produces Science topper

TIMES NEWS NETWORK

Guwahati: Amar Sing Thapa, the son of a contingent worker in the Public Works Department (PWD) from remote West Karbi Anglong district, has etched his name in history by becoming the state topper in the Class XII state board Science stream.

40 programme, which is meant for meritorious students from financially weak families.

Amar is now aiming to join one of the leading IITs. "Undoubtedly, Super 40 was my greatest boost. My parents, brothers and sisters has also always encouraged me. I dedicate this success to everyone who stood by me," said Amar, who said he has no interest in politics and spends his leisure playing indoor games. Chief trustee of Aj-

mal foundation, MP Badaruddin Ajmal, expressed happiness at Amar's success.

Nagoan students Sampriti Rajkhowa and Raunak Lohia secured first positions in Arts and Commerce streams respectively to bring laurels to the central Assam district. "Now I will try to get admission in one of the leading colleges in Delhi but my ambition is to become a good author," Sampriti said.

Raunak Lohia, the state topper in Commerce, said, "I never expected to become the state topper. My career planning was different till today morning as such a result was just beyond my imagination. Now, I am going to change my future plans."

Rigorous hard work is the mantra for success: HS Science topper

CORRESPONDENT

HOJAI, May 31: Amar Sing Thapa and Akash Chawchharia have brought laurels to the entire Hojai district in the Higher Secondary examination 2018, the results of which were declared today.

Amar topped the Science stream by securing the first position. Though he is the student of Ajmal College of Arts, Science and Commerce, a private institution based in Hojai, he appeared in the examination through Abdul Hasib Higher Secondary School.

He secured total 486 marks out of 500. He got 96 in English, 97 in Alternative English, 98 in Physics, 97 in Chemistry, 98 in Maths and 82 in Biology.

Amar is the second son of Binod Sing Thapa and Indra Devi Thapa, residents of Jankha in Karbi Anglong district. Amar's father is a government employee at Hojai.

Amar did his matriculation from Don Bosco High School

Amar Sing Thapa along with teachers and students during the procession at Hojai.

at Jankha and secured 95.30 per cent.

Talking to media, he shared his happiness and said rigorous hard work is the mantra for success. Amar said he wants to be a chemical engineer from the Indian Institute of Technology (IIT) and his role model is APJ Abdul Kalam. He thanked his teachers and parents for their

support in achieving the goal.

Amar was provided free education apart from a monthly scholarship of Rs 3,500. He was also a student of Ajmal Super 40 Programme of the College. Abdur Noor Talukdar, Principal of the College, has expressed his happiness over the success of Amar Singh Thapa.

General Manager Khasrul Islam

and Manager Dr MRH Azad of Ajmal Foundation have also extended their hearty greetings to Thapa and announced an immediate award of Rs 1,00,000.

On the other hand, Akash Chawchharia of Sankardev Junior College, Hojai secured the 10th position in the Commerce stream.

He secured 456 marks out

of 500. He got 95 in Accountancy, 93 in Business Studies, 73 in Economics, 93 in English, 84 in Alternative English and 81 in Commercial Arithmetic.

He is the only son of Sunil Chawchharia and Santa Chawchharia, residents of Hojai. His parents shared their happiness with media over his achievement.

Talking to reporters, Akash said, "This was only possible due to the blessings of God, my grand mother, parents and teachers of the College."

He said hard work with consistency has made it possible.

Akash got 84 per cent in the matriculation from Don Bosco High School at Hojai and his hobby is to play cricket and his favourite player is Mahendra Singh Dhoni. He will pursue Chartered Accountancy and study B Com from KC Das Commerce College in Guwahati.

Tapan Kar, Principal of Sankardev Junior College, expressed his happiness over the performance of students of his institution.

Ajmal Super 40 project launched in Hojai

A dream project called 'Ajmal Super 40', has been initiated by Ajmal Foundation, Hojai in order to help the poor but meritorious students of this region to crack the toughest engineering and medical entrance examinations of the country such as JEE, BITSAT, NEET, AIIMS, etc. The students of the North Eastern States in general and Assam in particular have no dearth of talent; however, due to lack of proper guidance and coaching, the students at times

lag behind those of advanced cities in terms of performance in the entrance examinations of JEE, NEET, etc. Keeping this in mind, Ajmal Foundation has taken up this unique programme, to provide state of the art coaching to engineering/medical aspirants of this area. The students enrolled for the programme are given intensive and integrated coaching for board examination as well as engineering/medical entrance examinations.

M. Badruddin Ajmal, MP & CEO, Ajmal CSR has formally inaugurated the session of 'Ajmal Super 40' in the presence of Mr. Manvendra Pratap Singh, IAS, Deputy Commissioner, Hojai District at the Auditorium of Pioneer Hostel of Ajmal College of Arts, Commerce and Science, at Bordoloi Colony, Hojai on December-20, 2018.
